300mm x 600mm x 300mm

## Maintenance

Both new and used gloves should be inspected to ensure no damage is present prior to use. A light gentle wash up to 3 washing cycles with mild detergent without involvement of any sort of bleaching agents. No tumble drying, just line dry at low temperature up to 30 degree Celsius.

## Storage

Gloves should be ideally stored in cool, dry conditions away from excessive heat and in its original packaging.

## Disposal

Used protective gloves can be contaminated or infected with harmful substances. Dispose of the gloves as instructed by your local authority.
