**Lining** Micro Fiber Suede

**Insole** Comfort Gel Footbed with Full Length EVA Core

**Outsole** KORE Dual Density Outsole with EVA Cushion Midsole, Slip Resistant Rubber Heel, and Forefoot Outsole Pads

**Special Features** No Exposed Metal on Upper

### Product Description

The Florsheim Work Loedin with a steel toe and featuring KORE technology means you will soar through your work day. KORE technology features a biomechanically designed footbed and outsole that absorbs heel impact energy to provide cushioning for all day comfort.

### Product Features

ASTM F2413-17, Steel Toe, Static Dissipative (SD 35), Slip Resistant

### Bullet Points

- **KORE:** This dual density outsole is biomechanically designed for walking. The midsole is created from a soft EVA material to cradle the foot. The outsole is created from a slip-resistant rubber compound that adds traction and durability.
  - **Comfort Gel:** Anatomically designed gel pad designed to absorb the impact of each step and provide cushioning for all day comfort.
  - Hand burnished genuine leather for breathability and long-lasting comfort
  - Fully padded nylon mesh linings provide exceptional moisture management and 360-degree padding for exceptional comfort
  - Steel toe meets or exceeds ASTM F2413-17 safety standards.
