### Product Description

Take the next step in work footwear with the Reebok Astroride Work. It's a steel toe work shoe designed to take you the distance and propel you forward. The soft ASTROFOAM midsole cushions with a lightweight responsive feel. The steel toe meets or exceeds ASTM F2413-17 safety standards.

### Product Features

ASTM F2413, Steel Toe, XTR® Brand Steel Toe Cap, Electrical Hazard Protection, Slip Resistant

### Bullet Points

- Single layer, soft ASTROFOAM midsole with a PwrZone forefoot design for springy cushioning
- Slip resistant rubber outsole with speed grooves for responsiveness and durability
- MemoryTech memory foam footbed adapts to the contours of your foot
- Quick fit heel construction and ghillie lacing for easy on and off
- Low-cut design for freedom of movement and quick transitions
- Mesh upper for a breathable and secure fit
