### MAINTENANCE

Storage	Can be stored and transported in their original cartons at ambient temperature (0°C to 30°C). May be stored in the dark for up to 5 years. Do not store in direct/high heat or sunlight as this may effect the product.
Lifetime	Excessive wear and tear can considerably reduce the lifespan of the product.
Cleaning	Clean using warm soapy water and soft cloth, do not use solvents or abrasives.
Disposal	Recycling is preferred when possible.
